

Satanic Thulian Society

Basic Membership Disclaimer

The Satanic Thulian Society Reserves the right to accept, promote, or dismiss members for any reason.

STS is welcoming of anyone who is in accordance with our guidelines and religious outlook, regardless of Sex, Race, Sexual orientation, or Biological Gender.

STS is not a political organization, nor activist based. Any attempt to politicize our views without the express permission of the High Clergy is subject to immediate dismissal of membership without notice.

Trans-gendered individuals are strongly encouraged to first ensure that they are at peace with their natural born gender, as well as their transitioned identity before registering for membership. It should be noted that STS only acknowledges two genders, Male and Female. Please be very mindful of this before registering as a member. This is in accordance with the Lex Satanicus.

STS is not a pro-abortion organization. We believe that Satanists who choose to be sexually active, both Male & Female, bare the responsibility of proactive prevention. To us, children, including the pre-born, are a sacred gift. Bodily Autonomy to us is not an inherent right, but a privilege held by the responsible.

STS is a privately run religious organization. By registering as a basic member you acknowledge that you have a base understanding of our religious beliefs and will act in accordance with those beliefs to best of your ability, and that in no way do you represent our organization.
